

HOW IT WORKS

You can enjoy peace of mind with the 14 day SCALA2 Satisfaction Guarantee

We are so confident in the game-changing domestic booster, the Grundfos SCALA2, that starting from 1 September, if you are not 100% satisfied with your SCALA2 purchase you can simply return the pump to place of purchase within 14 days of purchase for an instore credit.

The 'SCALA2 Satisfaction Guarantee' is a 'change-of-mind return' offer and is provided independently from and **in addition** to the 2+2 year warranty offer already available.

This offer is valid only for Grundfos SCALA2 purchased from 1 September 2017 only and does not apply to other Grundfos products.

HOW IT WORKS

- You are entitled to return the pump to the Authorised Grundfos Dealer where it was purchased if you are not completely satisfied with the product, regardless of the reason.
- Pump must be returned to the place of purchase, within 14 days from purchase date, along with proof of purchase.
- Offer is voided if the pump is damaged, modified, altered, misused, disassembled or polluted by poisonous media or other dangerous liquids.
- Offer does not cover labour, transport cost, associated pipes or fittings or any other cost associated with the pump installation, removal or any subsequent replacement pump installation.
- Valid for in-store purchases only (excludes online sales).
- This offer does not amend or impact your rights under the Australian Consumer Law and Grundfos limited manufacturer's warranty as per Grundfos Terms and Conditions of Sale.
- There is no specified end date for this offer. Grundfos reserves the right to terminate this offer at any time
